SOCIETY FOR THE PERFORMING ARTS (SPA) PERFORMANCE CREDITS

What are SPA Performance Credits?

They're an easy way to apply the balance on your purchase to future performances. If you can't attend a show, or a show has been postponed or cancelled, you can transfer the value of your tickets into an account credit for future use.

We want to make attending performances easy and flexible. Performance Credits are a great option when you're unsure of your availability or which performance you'd like to attend.

How do I redeem?

Just contact the SPA Box Office:

- By phone at 713-227-4772, Monday-Friday 9 am to 5 pm
- By email at boxoffice@spahouston.org. Please include your name, address, the show(s) you'd like to attend and the number of tickets.

Are there any restrictions?

- Performance credits cannot be transferred to other accounts.
- As with any purchase, seating is based on availability. However, Performance Credits can be redeemed for newly announced shows before they go on sale to the general public.
- Performance Credits expire at the end of the next season. **Credits created during the 19/20 season, expire June 30, 2021.**
- Performance Credits not used by the expiration date will be considered a donation to SPA and a tax donation form will be mailed to you.

Questions? Please contact the SPA Box Office at 713-227-4772, Monday-Friday 9 am to 5 pm, or boxoffice@spahouston.org.

Thank you for making the performing arts part of your life.
